City Hall, Lodi, Cal., November 12, 1917. Pursuant to adjournment of November 5th the Board of Trustees of the City of Lodi convened at 8:00 p.m. There were present Trustees Hale, Black, Keeney and Folendorf.

Minutes of the meeting of November 5th were approved as read.

In response to call for bids of October 22d, 1917, for furnishing pipe and labor for constructing storm sewers in North School Street the following proposals were received:

H.C.Muddox Company, S.G.V. pipe and fittings, 1st quality ----- \$513.00 , 2d (Less 34 for cash in 30 days).

H.C.Muddox Company, all labor necessary for laying pipe

advertised for -----Any additional pipe to be laid, providing not over 12 inches in diameter --------- 20 cents per foot.

Gladding, McBean & Co., S.G.V.pipe and fittings, 1st quality --- 517.00 (Less 3% for cash in 30 days.)

California Pottery Company, S.G.V. pipe and fittings, 1st quality- 515.00

W.H. Graham & Company, cement pipe laid ----- 513.30

Ed Spiekerman, cement pipe laid ----- 461.70

The matter of awarding a contract under the proposals received was deferred one week.

Peter Berg applied for permission to build a church on lots 1 and 2, block 7, Lodi Barnhart Tract. As a protest had been filed by property owners in that district application on the application was deferred one week.

George Mettler was granted permission to construct a building for a private garage on lot 1, block 5, East Lodi Addition.

G. L. Meissner was granted permission to remodel the front and cement the exterior of his residence at 421 West Pine Street.

On account of a report that the government will not permit the use of freight cars for transportation of street paving materials the matter of paving North School Street was upon motion laid over until the next regular meeting.

The Board adjourned.
